

2024, Year of Celebrating Volunteers

Do you know that Year 2024 has been designated as the Year of Celebrating Volunteers by our Ministry of Social and Family Development (MSF). This is to recognise and celebrate the contributions of volunteers in the social service sector and beyond.

En Community Services Society (ECSS) is proud to continue our tradition of honouring our dedicated volunteers through our annual Volunteer Appreciation Event. We believe in celebrating the heart and soul of our organisation – the remarkable individuals who selflessly give their time, energy, and passion to make a difference in our community.

We have honoured a total of 340 outstanding volunteers at our yearly volunteer appreciation event, held on 26 October 2024. This year's theme for the event is Blooming Hearts 因心绽放. This is a recognition of their contributions and spirit of volunteerism, and an acknowledgement of our collective achievements, towards community building efforts.

En Community Services Society (ECSS), our vision is to make Every Home a Happy Home by training individuals to transform families and the community. We strive to provide professional and relevant social services to the evolving community. We believe in caring and nurturing people of all ages and abilities to develop their full potential through training, social activities and counselling which will result in their contribution back to the community, building a healthier social-ecological system.
